Digital Signage

BrightShow™ All-In-One Systems

These full HD LCD digital displays are available for wall mount or standing display, vertically or horizontally. Available in Rugged and Slim Bezel versions.

Display animated motion graphics, video presentations, or a series of photos with sound and music for getting your message across. Loop presentations for any time duration; control is fast and easy.

Additional features include:

- Split media display, scrolling banner text
- Easy to use cloud-based content management
- Built-in speakers
- Vertical or horizontal display
- Manage single or multiple displays
- Multiple sizes: 22", 32", 42", 49", 55"

BrightShow™ Ultra Bright All-In-One Systems

Same as above with high brightness, 1000 nit display and built-in WiFi – ideal for retail display.

BrightShow™ Digital Kiosks

Stylish HD digital displays designed for use in retail spaces. Available single or double-sided.

- Integrated vertical HD display
- Secure, locking access
- Single and double-sided options

BrightWall™ Video Wall Systems

This video wall system has an ultra-narrow bezel design and is easily mounted. BrightWall™ is wizard-driven and features a built-in tiling function for numerous configurations.

BrightShow™ Easy-Play Media Player

Solid-state, micro-sized WiFi media player.

- Updates via USB or network
- Includes AdList Desktop Manager (can be upgraded to Saas Portal)
- 4 GB flash storage
