

Gallery BrightShow™ Herald HD Kiosk

Versatile, All-In-One Standalone Systems

Built to Last

Built-In Media Player

Easy-To-Use Software

The Herald HD Pillar Kiosk is an elegant portrait digital signage system that plays images, video, text and more. Preset templates and layouts are included. Provides full calendar and daypart scheduling. Can be managed locally or via local LAN network. Upload media right from your network desktop, smartphone or tablet. The Herald provides a bright 49" HD 1920x1080 resolution screen. Secure, locking access doors are at rear of unit.

The Herald is an ideal performer for any public space. Fabricated in powder coated black steel and glass, this display is perfect for hotels, banks, retail, restaurants, schools, hospitals and lobbies. Powered by the Gallery BrightShow™ Display System.

The Herald HD Pillar Display gets the job done – easily manage your content from a USB thumb drive to the SignPost System or manage an unlimited number of units from the BrightShow™ Cloud-Based Management System.
