

Gallery BrightShow™ Extreme Outdoor Displays

All-Weather Compatible, Sunlight Readable Digital Signage

Built to Last; Fully Sealed

Specially Designed for Outdoor Use

Easy-To-Use Software

BrightShow™ Extreme Outdoor High NIT Displays provide bright HD 1080p images and video, even when exposed to extreme outdoor elements. These fully-sealed, IP68 and IP65-rated, sunlight readable displays are a solid solution for any outdoor application.

Many configurations are available: horizontal, vertical, side-by-side, back-to-back, etc.. These displays can be designed for wall-mounted, pedestal-mounted or enclosed in a kiosk-style stand . . . all controlled with the BrightShow™ Cloud Management System.

The Gallery Digital Extreme Outdoor Displays are the perfect outdoor solution for retail, restaurants, banking, education and more!
