# Monarch Digital Kiosk

Sleek, Elegant all-in-one Digital Signage

Eye Catching Design

Built-In Media Player

Easy-To-Use Software

The sleek Monarch Pillar Kiosk adds extra design appeal as well as advanced functions for displaying images, video, text and more. Can be managed locally or via local LAN network. Upload media right from your network through a desktop or tablet browser.

The Monarch provides a bright 49" HD 1920x1080 resolution screen. Secure, locking access doors located at rear of unit. The Monarch is an ideal addition for any public space. Fabricated in powder coated white steel, ABS and glass, this display is perfect for hotels, banks, retail, restaurants, schools, hospitals and lobbies. Powered by the Gallery BrightShow™ Display System.

The Monarch Pillar Kiosk Display is the right choice. Easily manage your content from a USB thumb drive to the SignPost System or manage an unlimited number of units from the BrightShow™ Cloud-Based Management Portal.
